"THE OTHER SIDE OF TOMORROW

Text: Isa. 56:12, "Tomorrow will be like this day, and great beyond measure."

-- Luke 12:16-21, "...ample goods laid up for many years. (tomorrow will be like today; therefore...) take your ease

What will there really be on the other side of tomorrow?

- That depends on the sovereignty of God
- depends partly on the choices of men & women and boys and girls.

BUT SOME THINGS WE DO KNOW....

I. There will be an Accounting on the other side of tomorrow.

This will be complete; not just for our sins, but also for our TIME.

Benjamin Franklin advised, "Lovest thou life?

Then do not squander time, for it is the stuff of which life is made."

II. There will be many surprises.

A. On earth

B. And in Heaven.

C. God likes to make New Things:

1. Rev. 21:5

2. A new song, Ps. 33:3

3. A New Name, Isa. 62:2

4. A New Spirit, Ezek. 11:19

5. A new heart, Ezek. 18:31

6. A new covenant, Mt. 26:28

7. A new creation, Gal. 6:15

8. A new heaven & a new earth, Rev. 21:1

III. There will be Faith, Hope, and Love, I Cor. 13:13

Deut: 11:11-12, "But the land into which you are about to cross to possess it...is a land for which The Lord your God cares; the eyes of the Lord your God are always on it, from the beginning even to the end of the year."

IV, Most important, There will be GOD the other side of tomorrow. We can never drift beyond His love and care, if we know and trust him today

the other side of the mountain
will be the same. However, it is the only way
to get across the mountain.
The road is very rough and it is very hard to go across.
The road is very rough and it is very hard to go across.

and will be very hard to go across.
The road is very rough and it is very hard to go across.
The road is very rough and it is very hard to go across.

and will be very hard to go across.
The road is very rough and it is very hard to go across.
The road is very rough and it is very hard to go across.

and will be very hard to go across.
The road is very rough and it is very hard to go across.
The road is very rough and it is very hard to go across.

and will be very hard to go across.
The road is very rough and it is very hard to go across.
The road is very rough and it is very hard to go across.

and will be very hard to go across.
The road is very rough and it is very hard to go across.
The road is very rough and it is very hard to go across.

and will be very hard to go across.
The road is very rough and it is very hard to go across.
The road is very rough and it is very hard to go across.

and will be very hard to go across.
The road is very rough and it is very hard to go across.
The road is very rough and it is very hard to go across.
